"Today our very survival depends upon our ability to stay awake, to adjust to new ideas, to remain vigilant and to face the challenges of change."

Martin Luther King

Dear Parents,

Greetings from Carmel Convent Senior Secondary School, BHEL, Bhopal.

With the blessings of the Lord Almighty and the cooperation of the entire Carmel family, we have reached the culmination of the academic year 2022-23. It is a moment of extreme pride as the school has displayed immense fortitude and commitment in not only tiding over the challenges posed by the post covid era but also in adjusting and adapting to the new order while re-inventing and re-discovering itself with the changing times. The sheer resilience of the students, the diligence of the teachers, the constant cooperation of the parents, stakeholders and all collaborators have proved that, together we can even overcome the severest adversity. Various activities of the school, whether academic or extra-curricular, were rigorously carried out with regularity and precision. I extend my heartfelt gratitude to our dedicated staff for collaborating with the virtual pedagogy and offline teaching methodology, and continued imparting education with renewed vigour. I acknowledge the efforts of the students who once again adjusted to the new order and proved their mettle in all domains and for their stupendous results. I take this opportunity to congratulate the star performers of 2022-23 in the field of academics and also all those students who performed extraordinarily in various events and competitions in National/State/District levels and once again established our institution as a front runner in the noble cause of education. I am extremely thankful to our dear parents as you have been with us throughout this journey rendering the much needed support for the smooth functioning of the school. Although we live in times of great peril, we will not succumb to its pressures, rather embrace its uncertainties, as we all continue to forge ahead together and achieve new milestones of success. As we mark the closure of the academic session 2022-23, we are overwhelmed to announce the beginning of the next session 2023-24 and initiate a new chapter once again in the annals of our school and rewrite new stories of excellence. I take this opportunity to request all of you dear parents to ensure the following points :-

- ❖ Students attend classes daily
- ❖ They reach school on time
- ❖ They come in full and neat uniform
- ❖ They complete their home assignments and revision of previous day's syllabus, on regular basis.

P.T.O.

Once again I thank you all for your persistent cooperation throughout the year, and hope that our bond will strengthen in the years to come.
